DOSAGE SCREEN CAP

PERFECT DOSING
EACH TIME, EVERY TIME

AVAILABLE IN
43 MM / 56 MM

Smart packaging with a easy dosing innovation.

The Dosage Screw Cap range is an innovative dosage system that integrates a measured dosing system with a flip-top cap, hence making it easy to pour an exact and clean dose, even with one hand. The Dosage Screw Cap is a perfection solution for liquids or granules, coupled with a simple tip and pour action.
