

CAPS &
CLOSURES

OLIVE OIL

SMOOTH POURING

31.5 MM ALL PLASTIC
OLIVE OIL CAP & PLUG
OLIVE OIL CAP & WADDING

Exceptional smooth pouring experience.

The 31.5 mm Screw On caps are specially designed for olive oil and other edible oils. These caps have a premium look and feel. It features easy application without roll-on capping equipment. The caps are both tamper evident, so they enable the users to easily and visually assess that the product has not been altered since it left the manufacturer or filler. Furthermore, these caps are clean, hygienic and intuitive to use.
